7 **Roadside Verges**

East Riding of Yorkshire Council contacted the Town Clerk regarding the areas of verge that had not been cut on a regular basis in an attempt to encourage wild flowers to grow on Trinity Road and Scalby Place. However, due to the poor amount of wildflowers now growing in the area they would like to know if the Council would be happy for them to keep the verges tidy by cutting on a more regular fortnightly schedule or leave them uncut during Summer and only cut them once a year. It was **RESOLVED** that East Riding of Yorkshire Council cut the verges on a fortnightly basis.

8 **Mereside Children's Play Area**

Councillor Mrs B Y Jefferson remarked on the fact that since the Civic Society had completed the initial clearing towards the Mere on Mereside nothing had been carried out since and as a result the area is once again becoming overgrown. She also raised the subject of the children's play area and felt that this should be fenced off. It was **RESOLVED** a) any grants available at the moment would be sourced b) that a member of the Sport & Play, ERYC would be invited to attend a meeting of the Parks & Playground Working Party to discuss a new scheme for the play area and c) that the Civic Society would be contacted for an update on Mereside.
